ONE DAY, ONE LIFE at a time...
“We watched God take what you’ve given... and use it to literally change the world.”
IN 2021, TOGETHER, WE REACHED A WORLD IN NEED—
one day, one life at a time...

As we look back at 2021, we are in awe of God’s faithfulness. It was a difficult year—one of pandemic, unrest and hardship—so we did what we could and took it one day at a time. And every single day, perhaps more than ever, we watched God use the prayers and support of you, our partners, to reach people for Jesus in some of the most amazing ways, and we are excited to tell you all about it.

Such a big part of helping people is simply “doing what we can” over and over again because that’s what God’s Word calls us to do. In fact, it’s the small steps we take every day—day in and day out—that make all the difference.

And in 2021, you have made quite a difference... Every single day, people came looking for spiritual help from God’s Word, and you were there to provide it. God used you to touch people’s hearts and transform their lives.

We had to look at everything differently because the world was a very different place. Through our missions arm, Hand of Hope, we found incredible new ways to reach those who are hurting—from our new Project GRL vans that brought medical care to red-light districts in India... to a boat on the Amazon River that supplied food, vital resources and the Gospel message. We think you’ll be pretty amazed at how you’ve brought a world of healing to those in need through a timely word of encouragement or a visit with a doctor.

So, what does your giving really accomplish in a day? More than you can imagine. These pages are filled with stories of people who you’ve helped in a personal and significant way through your generosity.

In 2021, we watched God take what you’ve given—every single dollar—and use it to literally change our world...one day...one outreach...one life at a time...

FEEDING & WATER
“The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning....”

—LAMENTATIONS 3:22-23 (ESV)

You Provided Nutritious Meals and Fresh Water for Children and Families Around the World

This year, you’ve been busy. One plate at a time, you shared God’s love and served meal after meal to children and their families at schools, inner-city food pantries, and hundreds of feeding centers worldwide. And nearly every day, you installed another freshwater well and, when possible, built an adjacent church, dramatically changing the quality of life for entire villages of people.
Ten-year-old Zihle Nkomo lives in a mud hut with her parents and three siblings in Zimbabwe. In a normal year, her father has fought to scratch out an existence as a peasant farmer. But after the pandemic hit, much of the local work evaporated, and it left their family struggling for food and praying for a miracle.

Like many children in Zimbabwe, Zihle was going hungry at least three to four days a week. The lack of nutrition sapped her strength and began taking its toll on her overall health. It also made learning nearly impossible. Zihle is a smart girl and loves attending school. But without food, it was difficult for her to concentrate in class or muster the energy to study...much less laugh and play like a healthy 10-year-old girl.

Without food or any more options, Zihle’s family had nowhere else to turn. That’s when they received their miracle in the most unexpected way.
Through our partnership with relief organizations in Zimbabwe, you provided freshly made meals every single morning at Zihle’s school. Before classes even begin, every single student receives a hot, nutritious meal to fuel their bodies. And just like that, suddenly anything is possible.

Our partnership with these dynamic organizations began a decade ago and has continued to gain momentum. Through these outreaches, you are feeding children at more than 300 sites throughout this nation. To date, you have served over 80 million meals!

“This meal every day is for us children a special thing,” Zihle told us. “We live in a poor area where food is scarce...and knowing that we can be fed every day, it helps our parents.”

But that’s not all. Zihle and her friends also enjoy the spiritual activities at school, especially reading the Bible. You see, your support isn’t just providing daily meals for these kids, but you’re also supplying the school with a Bible-based curriculum to teach these children all about Jesus.

Today, Zihle is all smiles, and for good reason. She told us that she loves school, loves Jesus, and has high hopes of one day becoming a nurse. And because of your support, she really can have a bright future full of promise.

And think about this: This outreach in Zimbabwe represents just some of the millions of nutritious meals you have supplied around the world in 2021—through feeding centers, schools, food pantries, and in so many other ways.

So, if you ever wonder if your support is making a difference, just remember Zihle and the thousands of others around the world whose lives and families have been completely transformed in 2021 through these outreaches.

Every single day, you’re providing people with priceless, nutritious meals. And you’re not only filling their stomachs...but you’re giving them a future.

―ZIHLE NKOMO
In Venda, South Africa, you have supported a self-sustainable feeding program called Seeds of Hope. This outreach teaches families how to plant and care for gardens, which will feed them for generations to come. Two gardens were each strategically planted next to a Classroom of Hope—a schoolroom you provided where children can receive food, an education and learn all about Jesus.

To date, Hand of Hope has installed over 1,800 freshwater wells in over 35 nations.

This year, you brought clean water and a whole lot of hope to those who were thirsty by installing hundreds of freshwater wells in 15 nations, including India, Cambodia, Malawi and Zambia. And in some locations, you also built a church, sharing the Living Water of the Gospel.

Because of you, 2021 is a year the people of Msuluti, Tanzania, will never forget. It’s the year you dug a new freshwater well at their grade school. Before the well, children in this tiny village walked for miles each day to fetch water that was dirty and diseased. The daunting responsibility left their little bodies tired, and it ate into the time they could be studying. Thanks to you, their time and energy can now be devoted to learning, playing, dreaming and just being kids.

It’s not exaggerating to say this new well has changed everything for these children, their teachers and all of their families. And at the dedication, more than 400 people accepted Christ!

They are beyond grateful for this unexpected blessing that has brought them so much health and relief. And they are grateful for you, the ones who have made it all possible.

You served thousands of meals to children every month through the seeds of hope food gardens.
“People are hurting all over the world, but because of your support and trust, we are easing that pain in so many amazing ways.

As we visit our programs—whether it’s a feeding center, a rescue home, or a newly dug water well—it inspires and encourages us to find ways to put even more smiles on faces.

The opportunity to make an impact has never been greater. Thank you!”

OUR PROMISE to you

86 CENTS OF EVERY DOLLAR you gave in 2021 was used for outreaches and programs directed at reaching people with the Gospel of Jesus Christ.
“Joyce and I have seen it time and again. When we are faithful to do what God asks us to do—to give what we have to give—He takes it, multiplies it and does the miraculous.

This year, we watched God use your prayers and donations to reach the lost and hurting in so many incredible ways.

You have been faithful stewards of what God has given you. And as faithful stewards, when we give what God asks us to give, He blesses our lives abundantly. You, our partners—our family—honored God through your commitment…and their lives will never be the same.”

IN MAY, OVER 20,000 WOMEN JOINED TOGETHER FOR JOYCE’S GIRLS’ NIGHT IN ONLINE EVENT THAT BROUGHT GOD’S WORD, UPLIFTING MUSIC AND A WHOLE LOT OF FUN RIGHT TO PEOPLE’S HOMES.
You Shared God’s Word and the Gospel Message Around the World

At any given moment in 2021 you were sharing the message of God’s love each day with someone, somewhere. Whether it was broadcasting Joyce’s Enjoying Everyday Life TV and radio programs, providing articles, devotionals and podcasts at joycemeyer.org…or reaching a huge audience online through social media. You did whatever it took to reach the one.

“So is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire.”

—ISAIAH 55:11 (NIV)
Darrell Forgey woke up at 5 a.m. sharp. Like most days, he was due in court in a few hours to plead his client’s case. Bleary-eyed, he started his coffee and began flipping through TV channels to see what was happening in the world.

The law was Darrell’s life—his passion. But he felt adrift and even depressed...like something was missing. He believed in God and once enjoyed a closer relationship with Him, but he said somewhere along the way he let God “slip out of his life.”

Remote in hand, Darrell changed the channel and was met with a woman preaching to a crowded auditorium. He quickly glanced at the program description, which said: “Enjoying Everyday Life with Joyce Meyer.” Okay, perfect, just what I need, he said to himself sarcastically.
Darrell sipped his coffee and flipped the channel, but there she was again. He double-checked the remote to ensure it was working properly, then changed the channel a third time. Once again, it was that same lady with that same voice—Joyce Meyer.

“I finally thought, Well, maybe I should listen to this woman,” Darrell said. “And thank God I did. I immediately loved her sense of humor and practicality. That day, as I watched, I realized something was missing, and it turns out it was the good Lord. God used Joyce to pull me out of the hole and change my life. It’s a miracle.”

Darrell began watching Joyce’s program five to six times a week. And not just watching, but taking detailed notes so he could study the scriptures and biblical principles. As he did, God filled the void in his life and gave him a renewed joy, passion and purpose.

Today, Darrell serves as a legal arbitrator, and he credits his success to his time in God’s Word. “This year, I’m on my 75th notebook!” Darrell shared with enthusiasm. “And God continues to use Joyce’s program to change my life. He has helped me to be more patient, and my family says I’m also a better listener and more generous. I’ve learned that you can’t be happy and selfish at the same time—you have to do something for someone else.”

In 2021, your incredible support made it possible to broadcast Joyce’s Enjoying Everyday Life program on TV, radio and online in more than 100 languages in nearly every corner of the world. That means each and every day, millions of people like Darrell tuned in—so many for the very first time—to a program that introduced them to God’s love and sparked an eternal change.

In 2021, with every single broadcast that aired, you provided those crucial moments that helped people grow in their walk with God and change their lives for the better. ✝
Homeless, unemployed and struggling with three different medical conditions, Penelope Rowley had given up hope and even attempted suicide. That’s when a friend told her about a minister named Joyce Meyer, who had helped her through struggles of her own.

I wonder if she has any content online, Penelope thought. It wasn’t long before she found one of Joyce’s messages on YouTube and was captivated. She then began reading Joyce’s book The Confident Woman, and God began to heal her heart and renew her thinking.

“I stopped beating myself up,” Penelope told us. “I just started to think, I don’t have to end my life. There is life for me—I’m not a hopeless, lost cause. Things began to make sense, and the profound isolation and confusion I had was replaced with, ‘Everything is going to be okay now.’”

Today, Penelope is no longer homeless, her health has vastly improved, and thanks to you, she looks forward to her future with hope. And she represents so many that you reached in 2021...one YouTube video, one book, one life at a time.

“Sometimes, it can be easy to look at these amazing statistics of how many people we reach with the Gospel—to see the big picture—and lose sight of the one.

But these numbers represent real people, who one day turned on the Enjoying Everyday Life program or read one of my mom’s books and never went back to living the same way they did before.

In 2021, you touched the life of that ‘one,’ over and over again.”

ONE GIRL
at a Time

You Fought for Women and Girls All Around the World

In 2021, through Project GRL, you made every day mean so much. One by one, you rescued women and girls from human trafficking and provided safe places where they received an education, nutritious meals and clean water. And over and over again, you let them know they are loved and valued by God.
From the day she was born, she was taught that as a woman she had little value other than to provide men with children. Born into a polygamist cult, Lucia Rodgers was forced to marry when she was only 16...and then, as she explains it, was raped every night by the man who was appointed to be her husband. Until one day, she found the courage to escape and leave it all behind.

Lucia was raised in Hildale, Utah, where cult leader Warren Jeffs, leader of the Fundamentalist Latter Day Saints, or FLDS, wreaked havoc on nearly the entire town through systematic control and manipulation. Jeffs not only determined who they married, but what the people ate, and what they wore. He even told them what they were to feel.

Today, Jeffs is serving a life sentence in prison for child sexual assault. However, the cult is still active...and the scars he left are still seen and felt everywhere in this tightly woven community.

BEAUTIFUL REDEMPTION
When Lucia couldn’t take it anymore, she fled in order to keep her kids safe. Yet the freedom she gained came with very little knowledge of the outside world, and things seemed to go from bad to worse. Sadly, in the middle of the night, her house burned to the ground.

_This is where you come in._

In her time of greatest need, as Lucia stood hopeless in the rubble of her home, staff from the Short Creek Dream Center approached her and offered to help. The Short Creek Dream Center is a place of hope and refuge for women and children leaving the FLDS. Through a partnership with the Phoenix Dream Center, _Hand of Hope_ has helped many families like Lucia’s, remodeling Warren Jeffs’ former home to become a residential recovery center providing community outreach, hunger relief, education, training and so much more. What was once a home used for evil is now used for rescue and restoration.

“I remember staring at these strangers,” Lucia said. “(They were) such an answer to prayer that I just crumpled to the ground

and started wailing. I just remember thinking that was the light at the end of the tunnel. I came here and they loved me through that whole process.”

At the Dream Center, Lucia and her kids were provided with free trauma counseling, legal assistance and other programs that helped them to heal.

Today, Lucia is fully independent and walking out the great big, beautiful life God has for her and her children. Her life has come full circle, returning to the home that was the genesis of her pain and discovering healing there. And today she remains in the home, serving as a chaplain to share the truth of God’s love with others.

In 2021, each and every day, you helped many other women and girls, just like Lucia, break free from this deception and begin the road to restoration. You were there at the moment of their greatest need. And that’s what our _Project GRL_ initiative is all about: fighting for girls everywhere, one person at a time, and letting them know they have a purpose and immeasurable worth.

“(They were) such an answer to prayer that I just crumpled to the ground and started wailing.”

—LUCIA RODGERS
WOMEN LINED UP TO RECEIVE MEDICAL TREATMENT AT ONE OF OUR PROJECT GRL VANS IN HYDERABAD, INDIA.

RED-LIGHT RECOVERY

In 2021, you made it possible to purchase and customize four vans that provide free medical care to women living in the red-light districts of Hyderabad, Mumbai, Delhi and Kolkata, India. Furnished with state-of-the-art equipment, they allow our doctors to conduct thorough exams and provide lab tests on site. Each van is also outfitted with a flat-screen TV so patients can watch Joyce’s programs in their own language while they wait.

One of our first patients was 38-year-old Aruna. A mother of three, Aruna was lured to Hyderabad when she was just 17. Promised a good job, she was sold into slavery and has been stuck in the cycle of prostitution ever since.

When Aruna arrived at our van outreach, she was burning up with a fever and complained of pelvic pain. That day, doctors treated her and provided the medicines she needed to heal. Our counselors also prayed with Aruna and provided her with a Bible and one of Joyce’s books.

As she told the staff goodbye, Aruna shared how happy she was to receive medical treatment…and to be treated with dignity. In the midst of the darkness, you were a bright spot of hope. And it’s a hope you shared over and over again, one woman at a time.

“All throughout 2021, we met women and girls who were dealing with such pain and hopelessness. It touched my heart to discover what they’ve gone through…and then it brought such joy to do something about it.

This year, you were a lifeline for women everywhere, and you introduced them to a God who loves them so very much.”

ALL IN A DAY

6:00 a.m.  Still waking up, you sit in your favorite chair and turn on the TV to watch Enjoying Everyday Life. Joyce is teaching about God’s love for you and the great plan He has for your future. You then get out your Bible to study that topic even more. Today, you’ll share that same message, millions of times, with people all around the world through the Enjoying Everyday Life program on TV, radio and online.

7:05 a.m.  While you’re drinking your morning coffee, you pray over your day and ask God to help you and your family. And today that family just got a little bigger. Because of you, 438 people will receive Christ and come into God’s family.

7:49 a.m.  You check your social media notifications, and in the meantime you’re sharing encouragement from God’s Word through Joyce’s social media channels with 29 million people.

10:17 a.m.  It’s time for a water break. So, you fill your cup with fresh, cold water and take a long drink, knowing thousands around the world are doing the exact same thing because of your support. In fact, by day’s end, one more freshwater well will be installed someplace where there’s a need.

12:15 p.m.  You relax, open the Joyce Meyer Ministries App and watch a teaching at lunchtime. Today, 25,000 people will access Joyce’s programs in this very same way.

1:36 p.m.  You call your friend and pray with him about a special need. And today, you are doing the same thing all day long for thousands who submit their prayer requests online at joycemeyer.org.

3:15 p.m.  You pick up your daughter from school and she runs into your arms. Today, you’re also providing a safe, loving place for hundreds of at-risk girls in 14 countries. All day long, you’re telling them just how loved and valuable they are to God.

BECAUSE

Every single day, you are sharing Christ and loving people in so many practical and meaningful ways. Let’s take a look at just a few of the things you, as a partner, have accomplished today.
Today, God has used you to make a difference in someone’s life, and they will never, ever be the same.

5:15 p.m.
Over dinner, you laugh with your family and share funny stories about your day. You’ve also made room at the table for a few friends. Today alone, you will serve 76,712 meals to those who need it most!

7:23 p.m.
You stop by the pharmacy to pick up a prescription... and you’re also taking care of a few others half a world away. Today, you’ll provide 176 free prescriptions for those who can’t afford it, along with free medical and dental care for 794 people who are unable to see a doctor.

9:30 p.m.
Before bed, you still have time to read a chapter of your new book. And you’re not reading alone. Today, you surprised 4,383 people with a brand-new Joyce Meyer book filled with God’s Word in their native language.

10:25 p.m.
It’s been a long day, and you’re ready to turn off the lights and go to sleep. And all around the world, thousands of children and their families are thanking God for nutritious meals, medical help, fresh water, a helping hand, an encouraging Word, and a safe place to lay their head too.

OF YOU

it’s been a good day.
“Praise the Lord my soul, and forget not all his benefits—who forgives all your sins and heals all your diseases.”

—Psalm 103:2-3 (NIV)

You Provided Much-Needed Medical and Dental Care to Those Who Need It Most

Each day in 2021, you eased someone’s pain. You provided free medical care through our ongoing hospitals and clinics in places like Cambodia, East Africa and El Salvador. You also made sure patients were helped through our short-term medical and dental clinics, mobile medical vans and outreaches to those with leprosy. One visit at a time, God used you to bring healing and relief to families around the world.
It was 9 p.m. when the phone rang. It was the primary physician in Mbunguni, Tanzania. “I am conducting an emergency C-section,” he said. “And I need your help immediately!”

Our team of volunteer medical professionals was in Mbunguni to hold a three-day Hand of Hope medical and dental clinic, offering free treatment and prescriptions to all who attended. They instantly grabbed their equipment and rushed to the hospital.

When they arrived, the doctor thought it was already too late. However, with our surgeon’s help, he immediately performed the C-section. When they delivered the baby girl, she wasn’t breathing at all—she had turned blue and lay completely limp in their hands.

Our team of nurses instantly jumped into action. They took the lifeless baby girl and began to resuscitate her tiny, fragile body. Meanwhile, the doctor and our surgeon had another emergency of their...
own—to stop the mother from bleeding, stabilize her vital signs, then complete the surgery.

Each second seemed like an eternity. Then it happened. The baby girl drew her first breath, and color began to return to her face. But the doctors couldn’t celebrate just yet. They knew the mother now had more reason to live than ever, and they worked hard to stabilize her condition and sew her up.

After a couple hours of surgery, she was finally in the clear. And the Mbunguni doctor knew it wouldn’t have been possible if our Hand of Hope medical team hadn’t come to Tanzania.

Over the next few days, the doctor thanked our team profusely for being there. The mother also had a special request. To honor those who rescued her baby, she asked our medical team to name her new child. That very day, they named her Hope.

While in Tanzania, our team conducted clinics in both Mbunguni and Nakweni, treating more than 3,000 patients who otherwise wouldn’t have had access to a doctor or dentist. They also shared God’s love and the Gospel message with nearly every single person, and more than 600 gave their lives to Christ.

Because of your incredible support, Hand of Hope conducted a total of 11 short-term outreaches in 2021, bringing critical care to thousands who had no other options...to so many who told us they had “learned to live with the pain.”

And whether it was these short-term outreaches, treating famished children at our Hand of Hope pediatric specialty clinic in East Africa, or offering emergency dental care in Israel to those with nowhere else to turn, this year you impacted hundreds of thousands of people through our medical mission efforts all around the world.

You not only helped heal their pain, but one patient at a time, you gave them a reason to hope. •

“She asked our medical team to name her new child. That very day, they named her Hope.”
In 2021, you provided more than 2,000 pairs of shoes to help those suffering with leprosy in India. Our Mobile Orthopedic Footwear van routinely traveled to remote villages and offered custom-made shoes to help those with leprosy avoid infection or even amputation. These shoes, created from micro-cellular rubber, were tailor-made to fit each person perfectly.

The mobile footwear van is an exciting new aspect of Hand of Hope’s partnership with Embrace a Village in India, where you provide food, education, medical care and spiritual support for thousands in leprosy colonies throughout Tamil Nadu.

“Because of the orthopedic shoes, our wounds are so much more manageable, and our life is so much better,” said Ezhumalai, one of the many recipients. “This provision is truly a gift from God. Because of you, I now know Christ. I have come to know and experience the love of God.”

In 2021, Hand of Hope partnered with Paz International in Brazil to support this boat that travels the Amazon, stopping at multiple locations to offer free medical and dental care, food, and also share the gospel.
“So do not fear, for I am with you... I will strengthen you and help you.”

—ISAIAH 41:10 (NIV)

You Provided Immediate Relief to Families Affected by Natural Disasters and Political Unrest

During a crisis, the “little things” mean an awful lot. A hot meal. A helping hand. A bucket filled with necessities. And so many days this year, when people called for help, you responded in an instant. Whether it was the earthquake in Haiti, wildfires in California, or civil unrest in Israel that pushed thousands from their homes, you demonstrated the love of Jesus Christ in very personal ways...one meal, one bucket, one person at a time.
For Donrich Felo, desperation was setting in. Just days after Hurricane Ida struck Louisiana and left hundreds of thousands without power, he and his family were completely out of food and water. In a desperate search, Donrich drove for hours each day looking for help, only to get stuck in lines of traffic that wound for miles down the New Orleans highway.

He was fighting for more than just himself. Back home were Donrich’s son, daughter, two grandkids, and his aging father, who suffers with dementia. Getting weaker by the day, they hoped and prayed for him to arrive with help. What they didn’t know was that Donrich was driving on his last gallon of gas.

That very hour, when it seemed all hope was lost, Donrich turned the corner and almost couldn’t believe his eyes...
Thanks to your generous donations, Hand of Hope was able to partner with God’s Pit Crew to set up outreach points in several locations throughout New Orleans to provide families with a five-gallon Blessing Bucket filled with food, water, toiletries, flashlights and other emergency items. Every bucket also contained a Bible, along with a Joyce Meyer book filled with encouragement.

These Blessing Buckets were put together less than a week earlier at a volunteer event held at Joyce Meyer Ministries’ main headquarters in St. Louis, Missouri. At the time, we had no idea they would provide a lifeline for people just days later. Our goal was simple—to meet the needs of hurting people and let them know they are not alone and not forgotten.

We also teamed up with Mercy Chefs to place a hot, nutritious meal in the hands of everyone who attended. For many, it was the first warm meal they’d had in days.

Tired, emotional, and overwhelmed by the love and support, Donrich stepped forward to receive a Blessing Bucket, hot meals, along with prayer and spiritual support. He thanked us again and again, because he had run out of options, and God allowed us to be a part of his miracle. *What a difference a day can make.*

“I thank God for you all,” Donrich shared with us. “We don’t have any food right now, and I really had no choice but to wait for help. If you weren’t here, I wouldn’t be able to go back home with anything.”

That day, you gave Donrich’s family quite a surprise—it was far more than they expected. And it’s something you did over and over again. In all, you helped deliver over 5,300 Blessing Buckets and more than 150,000 meals to Hurricane Ida victims. *That’s a lot of miracles.*

In the aftermath of one of the most powerful storms to ever hit their coast, you shared the love of Christ with people in such a personal and practical way. And it’s something they will remember long after the storm has passed. 

“I thank God for you all. If you weren’t here, I wouldn’t be able to go back home with anything.”

—DONRICH FELO
WARM HEARTS

Chilled to the bone, Fidencia Jaimes and her kids huddled around the burners of their gas stove for warmth. In February 2021, Winter Storm Uri left them and millions of others in Texas covered in snow and ice. Even worse, record-low temperatures caused their pipes to freeze and break.

“We had to melt snow in order to flush our toilet,” Fidencia told us. “We also didn’t have food or water for my kids.”

Thanks to you, a team of plumbers from Water Mission, in partnership with Hand of Hope, arrived and fixed their broken pipes. They also prayed with Fidencia and shared a message about God’s love.

“Thank you, because a lot of us don’t have the money to fix it,” Fidencia said. “It’s good to know there are people who have such good hearts.”

The people in Texas will certainly never forget the storm of 2021. And they’ll never forget you, the “people who have such good hearts,” who showed up that day to help.

“You don’t get to see the real-life impact of your gifts firsthand, but I do. And it is beautiful!

There are so many moments I’ll never forget, like little Antony’s birthday party after Hurricane Ida — the smile on his face made everything worthwhile. I may get the hugs, but your love made them possible.”

IN THE FIRE AND THE FLOOD

This year, through our unique partnerships with relief organizations worldwide, your support traveled around the globe and reached people in their greatest moments of need.

When a 7.2 magnitude earthquake rocked the island of Haiti, displacing thousands from their homes, you were there at a moment’s notice to provide vital necessities and help them begin the rebuilding process. When fires ravaged a half million acres in California and sent families scrambling, you arrived on the scene to offer meals, aide and loving support. And when the floodwaters rose in Cambodia and washed away people’s homes, you were right there with them—to provide food and necessities...and to let them know that God loves them and so do we.

During these times of uncertainty, you were there to comfort, protect, rebuild...and show the love of Christ in a very personal way.

A LEGACY OF LIVES CHANGED

We live in a big world, filled with people who are hurting and dealing with very real pain. However, when we choose to do what we can and take it one day, one life at a time, we can also make a big difference.

Over the years, this has been Joyce’s passion—to help as many hurting people as we can in every way that we can…and create a legacy that will impact generations to come.

As a partner, this is also your legacy.

You play such a vital role in everything we do—every soul that comes to know the Lord, every heart mended, and every life that is transformed through an act of love and generosity.

You are leaving a legacy of lives changed…and it’s a legacy that will echo throughout eternity.
I am overwhelmed by God’s goodness...and that He would use you and me to help make it all possible.

My prayer is that you truly see the difference you’re making for people around the world. Because in the end, we couldn’t do it without you, our partners, who stand beside us all along the way.”

INDEPENDENT AUDITOR’S REPORT

Independent Auditor’s Report

To the Board of Directors
Joyce Meyer Ministries, Inc.
Fenton, Missouri

Opinion
We have audited the financial statements of Joyce Meyer Ministries, Inc. (the Church), a nonprofit organization, which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Joyce Meyer Ministries, Inc. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Joyce Meyer Ministries, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Joyce Meyer Ministries, Inc.’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually
or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Joyce Meyer Ministries, Inc.’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Joyce Meyer Ministries, Inc.’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS December 31, 2021

NOTE A - ORGANIZATION AND CHURCH VISION
Joyce Meyer Ministries, Inc., headquartered in Fenton, Missouri, is organized and operated as a church dedicated to Christian and charitable purposes. In its ministry as a church, Joyce Meyer Ministries, Inc. (the Church or JMM), conducts regular services, teaching biblical principles. Through its daily media outreach, millions of people receive the life-changing biblical teaching through the Church’s television and radio programs, CD’s, DVD’s, digital downloads, books, websites, streaming, social media channels and conferences. The Church’s missions and outreach programs include rescuing people from human trafficking, medical/dental outreaches, water relief, feeding programs, relief for refugees, helping in inner cities, ministering to the elderly and reaching out and training people of all ages. The Church provides funding and helps oversee several children’s homes that supply food and shelter to needy children. The Church provides global humanitarian aid to hurting people and disaster relief when possible to those in devastating situations. As of December 31, 2021, the Church employs 370 individuals to carry out its Christian and charitable purposes.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
1. Basis of Accounting
The financial statements of the Church have been prepared on the accrual basis of accounting. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

2. Revenue Recognition
The Church reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Gifts and contributions received with donor stipulations that limit the use of the asset are reported as with donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of the contribution is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

No amounts have been reflected in the statements for donated services since no objective basis is generally available to measure the value of such services. The Church commonly exchanges educational resources with donors based on a designated contribution. For the year ended December 31, 2021, the cost of these direct donor benefits was approximately $2.5 million. These costs are reported as an offset to contributions in the statement of activities.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

2. Revenue Recognition - Continued

Registration and sales revenue are recognized at the time services or goods are provided and the revenues are earned based on satisfaction of the Church’s related performance obligation.

Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions have been fulfilled. Contributions of assets other than cash are recorded at estimated fair value.

The Church receives contributions in which a portion of the amount given by donors represents a share of the direct costs of benefits received by donors. Unless otherwise verified, the fair value of gifts received with an offer is usually measured at the retail price.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4. Cash and Cash Equivalents

The Church considers all highly liquid investments with an original maturity of three months or less to be cash equivalents for the purposes of the statement of cash flows. Deposits in excess of Federal Deposit Insurance Corporation’s (FDIC) coverage were approximately $10,614,000 at December 31, 2021. The Church maintains sufficient cash resources to cover near-term working capital needs.

5. Accounts Receivable

Accounts receivable are recognized on the accrual basis of accounting. Management believes these amounts to be fully collectible. Accounts receivable consist principally of reimbursements and refunds from vendors.

6. Inventories

Inventory consists of books, CD’s, DVD’s and all other related items utilized in the media operation of the Church. Inventory is valued at the lower of cost or net realizable value, with cost determined on the first-in first-out basis.

7. Fixed Assets and Depreciation

Expenditures and donated fixed assets in excess of $5,000 are recorded at cost if purchased or estimated fair market value if donated. Depreciation of fixed assets is recorded over the anticipated useful life of the assets.
7. Fixed Assets and Depreciation - Continued

assets is provided over the estimated useful lives of the respective assets on a straight-line basis, ranging from 3-40 years. Expenditures for repairs and maintenance are charged to operating expense as incurred.

The Church records impairment of property and equipment when it becomes probable that the carrying value of the assets will not be fully recovered over their estimated useful lives. Impairments are recorded to reduce the carrying value of the assets to their net realizable value based on facts and circumstances in existence at the time of the determination. No impairments were recorded during the year ended December 31, 2021.

8. Certificates of Deposit, Investments and Other Investments

Certificates of deposit held for investment that are not debt securities are carried at cost. Interest rates on the certificates of deposit range from 2.55% to 2.75% at December 31, 2021. The certificates of deposit held by the Church as of December 31, 2021 will mature during 2022; although not expected to occur, the Church has the ability to redeem the certificates prior to their maturity.

Investments consist of investments in mutual funds and a hedge fund and are recorded at fair value as further described in Note D. Dividend, interest and other investment income, net of fees of approximately $64,400 for the year ended December 31, 2021, is reported in the period earned as increases in net assets without donor restrictions unless the use of the assets is limited by donor-imposed restrictions, in which case the earnings are reported in the same category as the donations.

Other investments represent unsecured deposit investments, which are carried at cost, and totaled approximately $21,667,000 with an interest rate of 1.5% as of December 31, 2021. Accumulated interest remains in the deposit account; although not expected to occur, the Church has the ability to withdraw funds at any time.

9. Compensated Absences

Full-time employees of the Church receive paid vacation and personal days off, depending on job classification, length of service and other factors. Compensated absences earned but not paid as of December 31, 2021 have been accrued.

10. Deferred Revenues

Deferred revenues are generated from registration fees collected for 2022 conferences and for medical outreaches to be held in a subsequent year.

The accompanying notes are an integral part of these financial statements.
NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

11. Income Taxes
The Church is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is further classified as a church; as such, the Church does not file income tax returns.

12. Expenses

Advertising Costs - The Church expenses advertising costs as they are incurred.

Allocation of Fundraising Costs - The Church allocates fundraising costs in accordance with ASC 958-720-05, Accounting for Costs of Activities of Not-for-Profit Organizations and State and Local Governmental Entities That Include Fundraising. Joint costs affecting programs and fundraising have been reviewed by management and meet the criteria established by the accounting standard. During 2021, approximately $3.1 million of television and radio ministry expenses, meeting expenses, monthly mailing costs, and other expenses have been allocated to fundraising.

Expenses that are allocated include office and occupancy, which are allocated on the basis of usage or square footage as well as salaries and benefits, which are allocated on the basis of estimates of time and effort or employee count.

13. Subsequent Events
The Church evaluated its December 31, 2021 financial statements for subsequent events through March 31, 2022, the date the audited financial statements were available to be issued.
NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE C - LIQUIDITY AND AVAILABILITY

The Church strives to maintain liquid financial assets sufficient to cover 90 days of general expenditures. Financial assets in excess of daily cash requirements are invested in certificates of deposit, money market funds and other short-term investments.

The following table reflects the Church’s financial assets as of December 31, 2021, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date:

The accompanying notes are an integral part of these financial statements.

December 31, 2021

Amounts not available include certificates of deposit with limitations as more fully described in Note B.8. Though the certificates of deposit have maturity dates in 2022, they are reported as having liquidity horizons greater than one year as it is the intent of the Church to reinvest the matured funds. Amounts not available for general expenditure within one year also may include net assets with donor restrictions. Net assets with donor restrictions at December 31, 2021 were restricted for the next period and are considered available.

NOTE D - FAIR VALUE MEASUREMENTS AND INVESTMENTS

The Church has adopted ASC 820, Fair Value Measurements and Disclosures, for all financial assets and liabilities measured at fair value on a recurring basis. The statement defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The statement also establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.
NOTE D - FAIR VALUE MEASUREMENTS AND INVESTMENTS - CONTINUED
The fair value hierarchy is as follows:

Level 1:
- Unadjusted quoted prices for identical assets or liabilities in active markets that the Church has the ability to access.

Level 2:
- Quoted prices in active markets for similar assets and liabilities.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3:
- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment’s level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Church’s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

The Church’s investments in mutual funds are valued at the daily closing prices as reported by the fund, which are actively traded, open-end funds required to publish their daily net asset value (NAV) and to transact at that price. The Church’s investment in a multi-strategy “fund of funds” hedge fund is valued at the NAV reported by the fund. Because the Church does not have the ability to redeem its investment in the hedge fund in the near term (shares are redeemable as of the last day of any calendar quarter, after giving 95 days’ written notice, subject to other specified redemption terms), it reports this investment in Level 3 of the fair value hierarchy.

The fair values of investments carried at fair value as of December 31, 2021 are determined as follows:

Investment securities are exposed to various risks such as interest rate, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term may materially affect the amounts reported in the financial statements.

NOTE H - NET ASSETS
Board-designated Endowment
The Church’s Board of Directors has established a board-designated endowment which consists of investments and certificates of deposit held by the Church. The funds are invested to seek growth of principal over time; however, any income, principal, appreciation on principal or other monies held in the endowment fund may, with Board approval, be used for the following purposes:

- Emergency funds
- Long-term investment
- Maintenance and support of the physical assets of the Church
- To encourage, receive and administer gifts from donors
- Outreach ministries
- Seed money for new ministries and special projects
- Such other purposes as may be specifically designated by donors of the Church whose gifts are included in the endowment fund
- Such other purposes as the officers of the Church deem appropriate and reasonable expenditures

Changes in endowment investments by net assets composition for the year ended December 31, 2021, are as follows:

NOTE H – NET ASSETS - CONTINUED
Investment and Spending Policies
The overall investment objective of the Church is to maximize the return on invested assets while minimizing risk and expenses in order to fulfill its mission more completely by developing its ministries beyond what is possible through annual operating funds. This is done through prudent investing and planning, as well as through the maintenance of a diversified portfolio. Investment returns are achieved through capital appreciation, realized and unrealized, and current yield, such as interest and dividends.

The Church's Board of Directors has interpreted the Missouri Uniform Prudent Management of Institutional Funds Act (UPMIFA) for donor restricted funds and as it applies to Board-designated endowments. As of December 31, 2021, there were no funds in the endowment with donor restrictions.

Net Assets with Donor Restrictions
As of December 31, 2021, the Church held net assets restricted by donors, totaling $3,000 for expenditure in future periods.

During the year ended December 31, 2021, $2,348 in donor-imposed net asset restrictions were released by incurring expenses in satisfaction of the restricted purposes or by the occurrence of other events specified by the donors.

NOTE I - COMMITMENTS AND CONTINGENCIES
Airtime — The Church has radio and TV airtime contracts extending to 2022. These contracts may be terminated with a fourteen- to sixty-day notification. The average monthly cost of these contracts is approximately $1.66 million.

Self-Insurance — The Church self-insures for workers' compensation, employee health and dental claims. Operations are charged with the cost of claims reported and an estimate of claims incurred but not reported. A liability for unpaid claims and the associated claim expenses is recognized as an expense and accrued at year-end. The determination of such claims and expenses and the appropriateness of the related liability are continually reviewed by management and a third party. The Church has purchased stop-loss insurance to supplement the plans, which will reimburse the Church for workers' compensation claims in excess of $400,000 per claim. Medical stop-loss insurance is purchased to reimburse individual medical claims in excess of $125,000 and $5,004,457 in the aggregate. Dental claims are capped at $1,500 per insured person per year. The Church self-insures dental claims at 100%.

Litigation — The Church is occasionally involved in litigation as either a plaintiff or defendant arising in the normal course of its activities. The results thereof are not expected to be significant to the Church’s financial position or operating activities. The Church purchases general liability insurance for conferences with a self-insurance retention limit of $50,000 per claim and a limit of $1,000,000 per claim and $3,000,000 aggregate. The Church also purchases umbrella liability coverage with a limit of $10,000,000 to cover claims in excess of the underlying general liability limits.

NOTE J – RETIREMENT PLANS
The Church maintains retirement plans that cover full-time employees who participate and are at least 18 years of age. Contributions to the plans during 2021 were approximately $755,000.

NOTE K – SUPPORT OF OTHER MINISTRIES
During the 1990's, Joyce Meyer Ministries, Inc. began to finance the establishment of similar international ministries called Joyce Meyer Ministries Canada (Vancouver), Joyce Meyer Ministries Australia, Joyce Meyer Ministries England, Joyce Meyer Ministries South Africa, Joyce Meyer Ministries Germany and Joyce Meyer Ministries India. During 2021, the Church received approximately $1.9 million in contributions from affiliates and earned approximately $434,000 in revenues from sales of services to affiliate organizations. The Church has outstanding advances of approximately $337,000 due from its international affiliated ministries as of December 31, 2021.

Independent Accountant’s Report on Management Assertions

To Supporters of
Joyce Meyer Ministries, Inc.

We have examined the assertion of management of Joyce Meyer Ministries, Inc. (the Church) that, for the year ended December 31, 2021, compensation approved by the Board of Directors and provided to Joyce Meyer consisted of salaries, including taxable fringe benefits, of $250,000, a housing allowance and contributions to retirement plans. We also examined the assertion that, during 2021, gross profits received by the Church from the sale of Joyce Meyer’s books and honorariums received by the Church for Joyce Meyer’s speaking engagements exceeded her total compensation described above. Joyce Meyer Ministries, Inc.’s management is responsible for the assertions. Our responsibility is to express an opinion on the assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management’s assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management’s assertions. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatements of management’s assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management’s assertions referred to above are fairly stated, in all material respects.
